### ***DNR Policy on Publication of Photographs***

*A signed release must be obtained from every subject photographed, with the following two exceptions:*

- *Adults attending a public meeting, event, or gathering*
- *Employees of the Washington State Department of Natural Resources*

*For children enrolled in grades K-12, the release must be signed by a parent or guardian. Ordinarily, for school-connected activities, the parents sign a blanket release that is kept on file at the school. It is our responsibility to confirm this with the teacher, school, or organization in every case of a field trip, volunteer activity, or situation that we might want to photograph; and, if there is no release on file, we must obtain individual releases and keep them permanently on file.*
